Foreword

Proud of the accomplishments Old Fort School has made during the school year; 1965 - 1966; we, the Seniors, present to you this yearbook displaying some of those accomplishments. We feel this yearbook serves two purposes. The first is to show the community the achievements Old Fort students have made; the second is to provide a lasting record to the readers so that in future years they may recall the faces they see within these pages.

This yearbook represents the patient efforts of the sponsors, advertisers, and our advisor to whom we are indeed grateful for helping us publish this edition of "The Trail." We hope we have accomplished our purposes in serving you.

MR. JOHN A. HOOVER
CLERK

The Old Fort Board of Education meets the first Monday night of each month. With their elbows firmly on the table, drinking coffee and nibbling at doughnuts, the Board Members, Clerk, and Mr. Goddard begin work on the weighty problems of guiding and making decisions for Old Fort School.

During the summer of 1965 a Typing I Class, and a summer school for migrant children was held. More new window panels were added, natural gas was installed, shop equipment, desks, tables, etc, were purchased.

MR. ROGER E. GODDARD
SUPERINTENDENT

The Old Fort Board of Education appreciates the excellent support the voters of Old Fort School District have given to the school.

Many hours are devoted and freely given by the Board Members to improve and to expand Old Fort School and to make it one of the best schools in Seneca County.

MR. ALTON ZIMMERMAN

MR. MERVIN RANSOM

Outside gas lights have been placed at the north entrance to the High School building, the building of the High School has been reroofed and much equipment such as Typewriters, desks, (Typing, Mathematics, Elementary) duplicators, and many small equipment items have been purchased.

Class History

On September 7, 1954, fifty-five (55) inexperienced first graders started climbing the ladder of learning. Of the original fifty-five, twenty-six remain to graduate. They are: Jean Abbott, Robert Bastian, Michael Blue, William Buskirk, Abbott Casselman, Dan Cleveland, Patricia Clifton, Richard DeMoss, James Downing, Charlotte Fausey, Frank Hoover, Jerry Hull, Linda Huber, Michael Magers, Randy Martin, Norman Murray, Douglas Picciuto, Scott Ransom, Nancy Recker, DaLee Riedel, Steven Ryman, Linda Sanford, James Steyer, William Weltin, David Whitman, and Nancy Willis.

Mrs. Mosier and Miss Day were our first grade teachers.

In the second grade our teachers were Miss Badertscher and Mrs. Witter. This year we learned how to write. Gary Dicken joined us this year.

Mrs. Beebe and Mrs. Kaiser were our third grade teachers. This year we learned our multiplication tables.

In the fourth grade Mrs. Sanford and Mrs. Snyder taught our struggling class.

Mrs. Baxa and Mr. Bare led us through the fifth grade. This year Mr. Bare led the boys in their first year of organized Physical Education classes.

In our last year of Elementary School, Mrs. Cloutier and Mr. Rinehart were our teachers. Christina Huffman and Steven Shireman joined our class this year.

In the seventh grade Mr. Mehaffey was our advisor. Changing classes this year proved to be quite a thrill. Sandra Dicken, Richard Lutz, and Clarence Roth joined us.

Mr. Mehaffey also led us through the eighth grade. This year the class officers were: Dan Cleveland-President; Randy Martin-Vice-President and Patricia Clifton-Secretary-Treasurer. Also this year, Wayne Hoover and Sue Mowery joined us.

As Freshmen, Mr. Lutz was our advisor. Our class officers were: Nicholas Reed-President; Richard DeMoss-Vice-President; Jerry Hull-Secretary and Wayne Hoover-Treasurer.

Mr. Hosterman was our Sophomore advisor. The class officers were: Jerry Hull-President; Sue Mowery-Vice-President and Linda Wickert-Secretary-Treasurer. The only addition to our class this year was Bradley Gibson.

Mr. Austermiller and Mrs. Newman were our advisors in our Junior year. This year the class officers included Jerry Hull-President; Norman Murray-Vice-President; Randy Martin-Secretary-Treasurer, and Clarence Roth-Reporter. This year we selected our class rings and presented "Mother Is A Freshman" as our Junior class play. Our Junior-Senior Prom Theme was Polynesian Night.

Mr. Goddard and Mrs. Newman were our advisors in our Senior year. Scharla Vollmar joined us while Charles and Clarence Prenzlin left our ranks. The class officers for this year were: Bill Buskirk-President; Norman Murray-Vice-President; Nancy Willis-Secretary; Linda Wickert-Treasurer and Clarence Roth-Reporter. This year's Senior Class had a total of thirty-seven (37). We presented the play "Our Town," had our pictures taken, edited another annual, and started down the ladder as we patiently waited for graduation day.

Class Prophecy

Since the government has always managed to mix things up, I was not surprised when I received a special message. The President, NANCY WILLIS, had chosen me for a dangerous assignment. ROBERT BASTIAN and WILLIAM BUSKIRK, the leading chemists in America, had discovered a drug for eternal youth. Knowing that I wasn't the one they really wanted, I had my secretary, PATSY CLIFTON, take a letter. Addressed to LINDA WICKERT, head of the Medical Association, the letter told of a more suited specimen than I for the drug. I recommended DOUG PICCIUTO, the winner of the Decathlon.

Having a curious mind, I decided to investigate the whole matter. I called home from my office and had my valet, DAVID WHITMAN, pack my bags. I went home in a taxi driven by MIKE BLUE, and got my bags. As I went through customs, TINA HUFFMAN and NANCY RECKER, the two stewardesses, hustled me to the plane that had been held over for me.

As we soared through the heavens, I looked down upon the farms of DAN CLEVELAND and NORMAN MURRAY. They were in the fields, making hay, with the help of their hired men, GARY DICKEN and BRADLEY GIBSON. After looking at many such tableaux during the next two hours, I was happy to see the airport come in to view. We landed smoothly under the crisp handling of WAYNE HOOVER, our pilot.

I sauntered into the lobby where I was greeted cheerfully by CHARLOTTE FAUSEY, the receptionist. She gave me directions to the best hotel in town, which was owned and operated by ABBOTT CASSELMAN. I went there immediately and requested a room with bath. After I signed the register, DA LEE RIEDEL, the clerk, handed me my key.

After I had unpacked, I rang for room service. The maid, LINDA HUBER, brought fresh towels and drew me a hot bath. After soaking luxuriously for an hour, I dressed and went down to the bar. The bar-keeper, CLARENCE ROTH, known as the best in town, mixed me a "Bloody Mary." When I remarked on the excellence of the tomato juice used in my drink, the bar-tender said he used only the best. And he ordered them from SCOTT RANSOM'S greenhouse.

The plane flight had exhausted me so completely that I decided to stay over and recuperate for a few days. I walked down the side-walk looking at the town, when a flaming red dragster came screaming past, driven by JAMES DOWNING. He was soon stopped by a wailing patrol car driven by JERRY HULL, the State Trooper.

As the ticket was being written, I happened to spy a barbershop. I hurried to it, and had my hair trimmed by FRANK HOOVER, the barber. When I stepped out onto the sidewalk, the appetizing aroma of warm rolls came wafting across the street. I crossed at the intersection and entered the bakery where the proprietor, SUE MOWERY, sold me several doughnuts and a cup of coffee. She was confident of the excellence of her food because RICK LUTZ inspected her bake shops for her. After two restful days, I decided to continue my journey by car.

I bought one from RANDY MARTIN, the local dealer, and hired RICK DE MOSS to drive it for me. As we headed further north, the climate became much chillier. We stopped in a small town and I purchased a tailor-made over-coat at SCHARLA VOLLMAR'S Tailor Shop. When my driver stopped at STEVE SHIREMAN'S filling station for gas, I had the mechanic, MIKE MAGERS, install a larger heater.

Since we hadn't eaten all day, we stopped at a diner owned by SANDRA DICKEN. We ate a very sumptuous meal served to us by JEAN ABBOTT, the waitress. After a night of steady driving, I finally arrived at the research station. To my surprise, they had rashly decided to try the drug without testing it first. All but LINDA SANFORD, the staff nurse, had tried the wondrous liquid.

And they had all slowly taken on their youth again. The nurse had managed to group all the squalling infants in one room. I sent out a signal, which an Air Force jet picked up as it roared over. JIM STEYER, the pilot, relayed the message to the base. They sent a rescue team headed by BILL WELTIN in a helicopter. With great expediency the babies were dispatched to the nearest hospital, which was two hundred and thirty-five miles away. The doctor in charge of the maternity ward, STEVE RYMAN, soon made them comfortable with his professional bedside manner. Thus the future finds all the members of the graduating class of '66 with a secure niche in life.

Senior Will

We, the Seniors of '66, being of sound mind and body, do hereby will the following to the underclassmen of Old Fort High School:

To the Juniors we will the stamina and determination which we displayed during our four years of high school.

To the Sophomores we will our ability to excel in the field of athletics, in hopes that they will be as successful as we were.

To the Freshmen we will our old and badly battered textbooks, in hopes that they will take the time to repair them.

Having the uttermost confidence in our lawyer, John Brueggemeir, we, the members of the senior class, do leave him to carry out the following requests after we have departed.

I, Steve Shireman, being in a sound state of mind, do hereby will nothing to anyone, but will auction my coon dog, Belle, to the highest bidder.

I, Jim Downing, will my meagalopolis to Mr. Weglian, in hopes that he will know what to do with it.

I, Linda Sanford will my giggle to Mary Steyer, because she already has the smile.

I, Sue Mowery, will all the good times I've had in school and my ability to solve Arithmetic problems on Sunday nights to Ed Cantu.

I, Bradley Gibson, will my health to Bill Tracy, so that he may attend school daily.

I, Rick Lutz, will my SS Stud to Chris McDonald, in hopes that he will continue to terrorize the people of Seneca County with it as I did.

I, William F. Weltin, will my play acting ability to Lonnie Fry.

I, Dan Cleveland, will my car to Larry Pitts, who needs another dog in his garage.

I, Wayne Hoover, will my height to Tom Brandyberry.

I, David Whitman, will my good times in high school to my brothers and my car to my sister.

I, Rick DeMoss, will my amazing ability in Mathematics to Mr. Brueggmeir, in hopes that it will be of some use to him.

I, Norman Murray, will my No. 5 baseball suit to Mike Hoke, in hopes that it will fit him better than the one he had this year.

I, Linda Wickert, will the dead rat that someone put in my locker to the future Old Fort Biology classes, because I know they will find better use for it than I ever did.

I, Charlotte Fausey, will my chair in County Band to Doug Cleveland.

I, Robert Bastian, will my battered-up silver trumpet to Curtis Ransom, in hopes he can still make the valves work.

I, Bill Buskirk, will my job as president of the Senior Class to any Junior willing to take it.

I, Linda Huber, will my ability to make County Band in my senior year to Doug Pence, in hopes he can make it before I did.

I, Patsy Clifton, will all my A's and B's to my brother, in hopes that he will see more of them than I did.

I, Scott Ransom, will my nickname "Cooter" to Dave Trembath, in hopes that he will cherish it with great honor and respect.

I, Frank Hoover, will my lack of ability to get along with Mr. Wurzel to Ted Coble, because he already has a fine start.

I, Gary Dicken, will my height (6'2") to Denny Stacy so that he may have dates with taller girls.

I, Jerry Hull, will the ability to cause the most trouble and get caught the least (in school) to anyone brave enough to try it.

I, Jean Abbott, will my ability to get caught with gum and candy to Beverly Oakleaf, in hopes that she doesn't use it.

I, Tina Huffman, will my ability to get the "chubby" girl parts in the class plays to Sue Whitman.

I, Mike Blue, will my motorcycle to the Fry boys.

I, Mike Magers, will my ability to run the low hurdles in 21 seconds to Roger Huth, who can already run them in 42 seconds.

I, Doug Picciuto, will my 6'4" height to Larry Willis, in hopes that he will perfect my "dunk" shot.

Senior Will (Continued)

I, JIM STEYER, will my ability to be on the stage crews during the class plays to Jake Wonder, in hopes he will be as good at it as I was.

I, CLARENCE ROTH, will just leave.

I, ABBOTT CASSELMAN, will my '54 Chevy to anyone who knows how to keep it running.

I, STEVE RYMAN, will my ability to get into trouble to Tim Berlekamp, so he may have some fun in his remaining year.

I, RANDY MARTIN, will my old Chemistry and Physics desk to Mr. Shiets.

I, NANCY WILLIS, will my ability to keep quiet in Trig. to Doug Dunlap, so he can save his excellent penmanship for other classes.

I, DA LEE RIEDEL, will my old school books to anyone who can find more good excuses not to use them.

I, SCHARLA VOLLMAR, will 1000 Anacin, one bottle of No-Bite Nail Polish, a bottle of Nerveine, and Somnifex tablets to locker No. 361 for general use by those who will enter Mr. Weglian's English class expecting to understand it.

I, NANCY RECKER, will my old blonde string bass, Bessie, to anyone in the fifth grade who is tall enough to hold her.

I, SANDRA DICKEN, will all of my books to the future Senior class, in hopes they will use them better than I did.

Acknowledgment

The entire Senior Class of Old Fort High School wishes to express its deep appreciation for the extensive help given us by the support of our advertisers, patrons, and sponsors. We realize that without their support we would have had to curtail some of the features that make our yearbook more interesting and desirable.

This year's issue of "The Trail" sold nearly two hundred seventy copies and will be read by many times that number of people interested in the activities and accomplishments of the student body at Old Fort High School.

"The Trail" Staff would like to request that all our firends please mention "The Trail" when they make purchases from our advertisers. In that way we may continue to merit their support and at the same time provide them with a valuable advertising service.

THE EDITORS

Narska,
To one of the
nicest and sweetest
girlfriends, I know.
Don't forget the good
times we've had at band
practices, concerts, trips, etc.
Stay as sweet as you are now
and you'll go far! (HA! HA!) Good
Luck Always and May God Bless You.
Love ya,
Wendy
"69"

Marsha,
Really now, you
been a real good friend
all year. I'll be sorry to
don't know what to do
anyhow, I'm everything you
want
Love
Joanna
